Our auction venue

The Royal Society for the encouragement of Arts, Manufactures and Commerce was founded in 1754, by William Shipley, a drawing master from Northampton, who assembled a group of the most eminent artists, philosophers and scientists of the day and declared that the objectives of his Society were 'to embolden enterprise, to enlarge science, to refine art, to improve our manufactures and to extend our commerce. The Society moved to its present premises, which were purpose built by the Adam brothers as part of their Adelphi development, in 1774.

THE A L T McCAMMON COLLECTION

Antony McCammon is a Jerseyman whose career in international banking has taken him and his family to a number of countries. He has retained strong links with Jersey and is the author of the standard work on the numismatics of the area - **Currencies of the Anglo-Norman Isles**, i and ii (Spink, London 1984, 1993). His collection of Channel Islands coins, tokens, medals and paper money has been put together over many years and is probably the best such collection to come to the market.

- Some uncertainty exists concerning the identity of the female figure on the reverses of this series. Neither McCammon nor Pridmore give her a name, while Withers identifies her as Commerce. However, the scales she holds in some cases, including this piece suggest she may be intended to be Justice. For example, a similar figure appears on many 19th-century Australian tokens and is commonly identified as Justice. When she holds an olive branch instead of the scales, she may be intended to be Commerce.

Baldwin's Auctions Ltd. shall not be liable for errors or omissions in executing any bidding commissions. We cannot guarantee to execute written bids received less than 24 hours before the commencement of the sale. Neither Baldwin's Auctions Ltd. nor the vendor shall give any warranty to any buyer in respect of any lot or be liable for any fault or error of description or lack of genuineness or authenticity of any lot. All statements as to items sold, whether made in catalogues, during the course of the auction or otherwise, are statements of opinion only and are not and shall not be taken to be statements or representations of fact. The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority

to express a definite opinion shall not discharge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, Baldwin's Auctions Ltd. shall not under any circumstances whatsoever be liable for any costs, expenses or damages (whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.

8. Save as provided in the preceding paragraph of these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. Baldwin's Auctions Ltd. cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.

9. Baldwin's Auctions Ltd. act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.

Baldwin's Auctions Ltd. reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed.

11. Any part of the purchase price left outstanding after the auction pursuant to Condition 5 shall be paid in full within thirty days of the date of the auction. Without prejudice to any other rights, Baldwin's Auctions Ltd. reserve the right to charge interest on any overdue payment at the rate of three per cent per month. Seven working days' notice must be allowed for clearance of personal cheques before delivery can be made unless prior arrangements have been made with Baldwin's Auctions Ltd. A 4% surcharge will be applied to credit card payments.

12. Buyers accepting commissions from third parties do so at their own risk and will remain responsible to Baldwin's Auctions Ltd. for full settlement according to these conditions.

13. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.

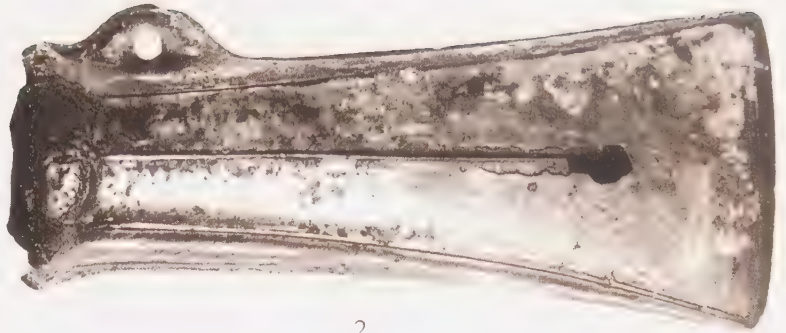

14. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of Baldwin's Auctions Ltd. be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneers' expenses and commission in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained on the first sale.

15. A variation of these Conditions shall only be binding on Baldwin's Auctions Ltd. and the vendor if it is made in writing and signed by a duly authorised representative of Baldwin's Auctions Ltd.

16. These Conditions shall take effect and be construed in accordance with the provisions of English law.
